SUBJECT: Re. permanent residence of Janab Syed Abdur Rahman, Member, Legislative Assembly.

...

Sir,

I write to invite attention to your D.O.No.285 dated 16th October 1950 to the Chief Secretary to Government of Mysore on the above subject and to say that the papers have been forwarded to the Hon'ble Speaker for final disposal. The question has been examined by the Hon'ble Speaker in great detail. The member, Janab Syed Abdur Rahman was also asked to meet the Speaker which he did on the 15th December 1950. At this interview, he explained to the Speaker the circumstances under which he had to come to Bangalore quite often. He explained that his permanent residence is Shimoga and that in respect of every one of his T.A. claims, he has claimed only for journeys actually performed by him. In regard to the Notification No.H.A.5344/Political 192-49-6 dated 8th September 1950 reference to which has been made in your letter of the 16th October, the Member explained that this was due to a mistake on the part of Janab Mahmood Shariff, Ex-Minister to the Government of Mysore who gave this address to the Government and that as soon as the gentleman came to know about this error in the Notification, he has written to the Government to make the necessary correction and to indicate the address as Shimoga.

On a review of all these facts as indicated in the file and as disclosed at the meeting, the Hon'ble Speaker is satisfied that the Member in question has made claims for journeys actually performed by him and that therefore the T.A. Bills of Janab Syed Abdur Rahman may be passed as heretofore taking Shimoga as his permanent place of residence. The T.A. Bills and other papers sent by you in this connection are returned herewith with a request that these Bills and any other Bills of this Member kept pending on this ground may be passed for payment.

I am to state in this connection that the Hon'ble Speaker has been considering the action that should be taken in future should any such incorrect claims be made by a member of the Assembly. He is of the opinion that any investigation into any such alleged incorrect claims should be undertaken only by this Office and I am therefore to request that if any such incorrect claims come to your notice in future, they may be kindly referred to this Office for such action as the Hon'ble Speaker may deem necessary in the circumstances of the case.
